

Whole Education

Creativity and The Big Curriculum at The Spinney Primary School

Tuesday 16th May 2017

09:15 - 15:00

The Spinney Primary School
Hayster Drive
Cherry Hinton
Cambridge
CB1 9PB

Introduction

The Spinney Primary School welcomes you for the day to learn about how the school's 'whole education' approach results in outstanding progress and achievement for learners.

Hear how The Spinney promotes a culture of curiosity, creativity, collaboration and, through a "forward looking outwards reaching" curriculum, makes local and international connections in order to improve outcomes and opportunities for pupils. Find out about key educational actions towards schools being a Learning Community in Europe and the approaches the school uses to improve overall pupil wellbeing, confidence and achievement.

Through a learning walk, practice sharing sessions and discussions with staff and students, there will be ample opportunity to reflect and share your own school's journey in this area.
